Greetings Brothers and Sisters in Christ!

My name is Kelly Daum and I am your Central Ohio Emmaus Community Lay Director for 2007. I humbly thank our Board of Directors for giving me this opportunity to serve God and you, our Community, as your Lay Director and I am looking forward to all of the wonderful plans God has for our community this year. On behalf of the board, community and myself I would like to offer many thanks to Jim Oliver for providing outstanding leadership in 2006 as Community Lay Director.

As we begin another new year the Emmaus board is inspired by the hope of what God has planned for our Emmaus community in 2007. We have held our first board meeting and are eager to get busy doing Gods work.

One of my favorite stories is about a young boy who knew what hope was really about... A man approached a Little League Baseball game one afternoon. He asked a boy in the dugout what the score was. The boy responded eighteen to nothing – we’re behind. Boy, said the spectator, I’ll bet you’re discouraged. Why should I be discouraged replied the little boy. We haven’t even gotten up to bat yet.

As followers of Christ, we always have dwelling within us a spirit of hope. Now this is not some shallow platitude that denies the hard times of life. Hope is given by a real God for real people of the present. Hope doesn’t help us get out of our difficulties; instead it gets us through them. As we begin this New Year’s journey, may we embrace the gift of hope given to us through Christ our Lord and share the hope with those who may not understand its true meaning. This year I challenge each of you to become an Emmaus sponsor and give someone who might be feeling discouraged hope in Jesus Christ!

Serving Him,
Kelly Daum
Lay Director Central Ohio Emmaus Community
