## DOING SOMETHING ABOUT IT!!

A story is told about a man who was trying to read a serious book, but his little boy kept interrupting him. The boy would lean against his father's knees and say, "Daddy, I love you." The father would give him a pat and say rather absently, "Yes, son, I love you too," and he would kind of give him a little push away so he could keep on reading. But this didn't satisfy the boy, and finally he ran to his father and said, "I love you, Daddy," and he jumped up on his father's lap and threw his arms around him and gave him a big squeeze, explaining, "And I've just got to DO something about it!"

Many times we have witnessed Emmaus closings where several of the Pilgrims have felt this same way. They have felt the love of Christ embrace them so powerfully that they've "just got to DO something about it!" I bet you've been there and felt that too, haven't you?

The object of Emmaus is to "inspire, challenge, and equip local church members for Christian action in their homes, churches, and places of work." This certainly gives us a wide area to "DO something about it!" and those areas should be our first priorities for serving.

Another area for serving or "Doing something about it!" is within Emmaus. Over 200 persons are needed to help 'behind' the scenes during an Emmaus weekend; sign up for the prayer vigil, work in the kitchen, help with set-up on Wednesday evening before a walk and with tear-down on Sunday evening after the walk, help with agape, and there is also help needed to set-up and clean-up at monthly gatherings and bring family and friends to the monthly gathering. Another way of serving is to invite family, friends, co-workers, people at your church, and other Christ places in your path to experience the Walk to Emmaus. Don't let that exuberant feeling of "I've just got to DO something" fizzle! Keep the fire of the Holy Spirit burning within you and keep on serving and "DO something"!

Peace and Love in Christ,  
Kathy Reiff

## Message from the Treasurer

I would like to remind everyone that as they travel this summer, don't forget Emmaus. If you don't use the shampoo, hand lotion, etc in your room, please bring it home for Emmaus. We can always use samples like that for those pilgrims who forget to bring those items with them.

Also, it will soon be time for back to school sales. Emmaus can always use extra notebooks, folders, pens, markers, poster boards, etc. Sometimes we are able to get those items for a dime or less. Look for anything that might be used for making posters like pipe cleaners, crepe paper, tissue paper, etc.

You and your share group can also sponsor flowers for a walk for \$50.00 or help in the kitchen and dining room during the walk. You may also donate money for an Emmaus scholarship to be used when the pilgrim needs financial help to attend. Plan on attending the gatherings and candle lighting.

We need your prayers, love, and service to continue to spread the Word of God. In other words, WE NEED YOU!!!!

See you July 10th and 14th, Lura Hayes, Treasurer

Thank you all so very much for your help with our dinner fund raiser held in June we made \$1750 which is so much more than any of us ever imagined. We could not have accomplished this with out the dedication and support of each one of you.

Again thank you for supporting our Emmaus community and more importantly for serving our awesome God!

In Christ, Kelly
