Have you ever heard the expression “I was like a kid in a candy store.” Even as an adult I was that kid in a candy store during the holidays. I got very excited about the gifts, decorating and even the importance of making and especially eating all those wonderful Christmas treats.

Since my Pilgrim walk that candy store has gone through a renovation. Was I ready for these changes? God, who is overseeing this major remodel knew the time was right.

Since my walk God has been drawing me into spiritual service. He even guided me into a profession that allows me to be of service to my fellow man. He drew me into this even before my walk. What a joy and a blessing it is to me to serve in his name. Each of us needs to take the time to listen and pray to God and he will find the perfect place for you to serve in this community and in your home churches.

After the February walk my board position as logistics chairperson will come to an end. I would like to take this opportunity to thank the board that I have served with and to thank all members of the community for their help and support over the past two years. It has been my honor and privilege to help the community and especially to serve our Lord and Savior.

Just so you know I am still that kid in the candy store during this time of the year. I still love the gifts , decorating and treats but in the center of the candy store that has been remodeled sits God with all the wonderful gifts he has given me and my family. His Love , forgiveness, grace and the ability to allow me to serve in his name in this community. May God richly bless you in this new year.

In His Name

Scott Thomas
Logistics Chairperson
