On behalf of the Central Ohio Emmaus Board, I extend greetings to all who are reading this newsletter. Grace to you and peace from God the Father and the Lord Jesus Christ.

I wish to welcome those pilgrims who attended Women's Walk #95 and Men's Walk #57 into this community.

Also thanks to two highly-trained passionate leaders from the San Francisco Bay area who were in Marysville on September 16th to facilitate a Challenge Day Program for 103 students from Marysville High School. Gandhi said, "Be the change you want to see in the world," and these two leaders did just that. They trained 37 adults, (most of whom were teachers from various school districts and the rest were interested community members) to assist them in facilitating this day long activity. It was very similar to a condensed secular Emmaus Walk. There was a progression of large group and small group ("family") activities throughout the day. It was amazing to watch how students and adults alike, advanced through these activities. As in Emmaus, the mood could easily swing from high to low and back again.

The vision of Challenge Day is just this — **"every child lives in a world where they feel safe, loved and celebrated"** This day provided a first-hand experience of how love, acceptance, compassion, forgiveness, and understanding are available to everyone. If you would like more information, please visit the website at [challengeday.org](http://challengeday.org).

My prayer is that this movement can spread across the nation so all of God's children can know how much they are loved!

Your Sister in Christ,

Jyl Secrest
