Friendship. God is our friend, our closest Friend, but sometimes we need a friend with skin on. A friend is someone who knows all about us and loves us anyway. What a perfect description of Jesus. We can feel safe sharing anything that's on our heart with Him and He won't reject us. What a great gift that is! "Cast all your cares on him, for He cares for you". *1 Peter 5:7.*

Friendships are made on every Emmaus Walk. From the introduction of our "new best friend" and getting to know our new tablemates to the connection we make in "share groups" we express friendship with the other participants from the weekend. What an awesome opportunity to be Jesus with skin on to someone you know. Who do you know that needs Jesus as their friend? How can you share the love of Jesus with them? Invite them on an Emmaus weekend. Not because they need to go, but because Jesus loves them and they deserve to experience the friendship that He offers through the hands and feet of all of us in the community of faith. I'm sure you cherish your Emmaus experience; won't you invite someone to share in that blessing? You might just be the friend they need! There is a new application that can be obtained at the Central Ohio Emmaus website "centralohioemmaus.org"

Friend to friend,
Barb Swartz
