Update Your Information

Our Lay Directors are reporting that about half of the phone numbers in the database are incorrect due to people disconnecting landlines. There is a possibility that we were unable to reach you for serving on a team, and we do not want this to happen. If you have changed your address, email or phone number since your Emmaus Walk, please email our Database Chair or send your updated information to the address below.

Agape Making Party

We will be having an Agape Making at 6:00 PM prior to the Gathering on November 13th. All of the supplies will be provided to make some simple agape for the upcoming weekend. Please come enjoy the party and the fellowship as we work together to show God's love to the upcoming pilgrims.

Dear Community

What a joy it is to serve such a wonderful God. I was contemplating the other day about my years involved with this wonderful ministry and community, and thought to myself I am truly blessed. The word that kept coming to my mind was niche. See I have had the pleasure to serve on the Emmaus board a couple of times now. What is amazing is I have always been able to find my niche in the community. Weather it be setting up sleeping rooms or serving on a team God has always guided me to just the right place to serve. I am currently serving as the supplies coordinator for walk weekends. What that means is that if you do not drink it or eat it on a weekend, then I am responsible for making sure it is there. Amazingly God has never really guided me to serve on the board in a capacity that would involve using technology to get his work done (Those of you that know me understand why.) So I encourage you to listen to God and have him guide you to find your niche in the community. We all know that he places us just where we need to be and my prayer for all of you is that you feel as blessed as I have to serve our Lord and Savior.

Share Group Challenge

We would love to have Share Groups more involved in the Emmaus weekends. It is an extra blessing to serve together, make agape together and pray together. Our first challenge to Share Groups is to have 2 pieces of agape for the upcoming Emmaus Walk in November. Many of us aren't creative, but there are some very simple agape ideas which can be made to show the pilgrims just how much we love them. Below are a couple of links I have found for agape ideas. Let's join together to have a bountiful supply of agape for the pilgrims this fall!
